

Permission Slip / Media Release

At various times during the year, children are taken on field trips and/or educational walks. Through such experiences the classes gain information that is used for instruction in the classrooms. On these outings, safety is stressed and all children are supervised by the teacher, often with the help of parents or other adults. In order that your child may go on these field trips/walks during this school year, the teacher must have written permission from the parent. Will you please sign below if you wish your child to have these educational experiences?
